

# duck2water's cheap car insurance is just for you

## **Cheap car insurance, you know you want it**

Everyone wants cheap car insurance, right? Well, here at duck2water we're committed to getting you the best cheap car insurance that we can.

We are a dedicated online car insurance provider and this means that we don't have the overheads of other car insurers. We don't have huge office premises with extortionate electricity bills, we don't have high street premises that have steep leasing costs, we don't even fork out for bad adverts or a silly jingle.

Here at duck2water, we believe our service and our cheap car insurance deals speak for themselves and it is this that will keep you coming back to us year after year.

## **The duck2water car insurance website – full of motoring info**

duck2water's website is written by car enthusiasts who are passionate about motoring and all issues that affect our car insurance customers.

We update the website regularly with driver news, latest road safety research, information into driving statistics, and articles that are humorous and informative. There is always something new to see on our website, as well as the constant availability of a quick car insurance quote.

## **Specialist car insurance for you**

Whatever car you drive we will endeavour to get you the best car insurance quote that we can. However, the thirty insurance companies that will quote for your vehicle specialise in the following:

- Ford Car Insurance
- BMW car insurance
- Vauxhall car insurance
- Volkswagen car insurance
- Renault car insurance

We have specialist website pages for owners of these cars with articles on the history of the manufacturer and areas of interests such as owner's clubs, concept cars, and motor manufacturer awards.

## **Cheap car insurance for all**

We can offer cheap, quick quotes over the phone or online; it's simple – you choose.

**Online** – Click on the “Get a quote now” button and you will be taken to our online quote pages. You will need to fill in details about yourself, your driving history, and your car. It’s really straightforward and takes just a few minutes.

When all the details are complete (it prompts you if you’ve missed anything) our search technology automatically obtains quotes from our thirty insurers. It sorts out the best deals and offers you a small selection, including details of items covered by each premium. All you have to do is choose which one suits your needs best and click “Buy”.

If you’re worried about security and privacy, there’s no need. Our website uses a 128 bit Secure Socket Layer to encrypt your personal details and protect you from hackers. duck2water also guarantees never to pass your details on to third parties for marketing purposes. And if you don’t wish to receive information from us, then just tick the box.

**By phone** – Our friendly call centre staff are a small, efficient team that will quickly guide you through all the particulars of obtaining your car insurance with duck2water. The same technology is used to find you the cheapest quote. The operator will tell you all that’s involved and if you’re not happy, they will try and find the car cover best suited to your needs. Call us now on **0800 954 97 57**.

## **We are proud of our car insurance deals**

We want you to be as happy about your car insurance as we are with our services, and we believe we can get you the cheap car insurance that you want. Go on, give us a try, you know you want to.
